4. TERMS AND CONDITIONS

- 1. INSTALLATION AND ACCESS:** The Customer agrees to provide the Provider clear, unobstructed access to the installation site for equipment, vehicles, and personnel. The Customer warrants that they own the property or have obtained written authorization from the property owner for this installation.
- 2. PERMITS AND CODES:** The Provider shall obtain necessary local permits. The installation shall comply with applicable federal, state, and local safety codes, including NFPA 54 and NFPA 58. The Customer agrees not to modify, temper, or allow unauthorized personnel to service the installed equipment.
- 3. OWNERSHIP OF EQUIPMENT:** Unless purchased outright by the Customer and explicitly stated herein, all propane storage tanks, regulators, and meters shall remain the sole personal property of the Provider. The Customer shall not lease, sell, or subject the Provider's equipment to any liens or legal processes.
