Employee ID	Employee Name	Prior Cumulative Gross Wages (YTD)	Current Period Gross Wages	New Cumulative Gross Wages
Total:				

Add Employee Row

Calculate Totals & Taxes

Notes:

- Input the State Wage Limit (Cap) and Tax Rates before running calculations.
- SUI Taxable Wages are determined by evaluating Cumulative YTD Wages against the State Wage Limit.
- Most states levy SUI taxes strictly on the employer, but certain states (e.g., AK, NJ, PA) require employee withholding.
