Tax Status & Disclosures:

Thank you for your generous contribution. Please note that no goods or services were provided in exchange for this contribution other than intangible religious or charitable benefits. The donor did not receive any utility, assets, or equity in return for this transfer.

For tax purposes, cryptocurrency is generally treated as property by the IRS and equivalent tax authorities. The organization provides the valuation of the crypto asset on the day of receipt for accounting references only. Donors should consult with their personal tax advisor to determine the exact deductible value and requirements for filing tax forms regarding non-cash charitable contributions.
