Description of Donated Items / Non-Cash Property

Detailed Description of Property (Include model, condition, etc.)	Quantity

Thank you for your generous contribution. Please note that the organization has not provided any goods or services, in whole or in part, to the donor in exchange for this contribution. Under IRS regulations, the organization is not permitted to estimate or declare a monetary value for non-cash contributions; the valuation of the gift-in-kind is the sole responsibility of the donor for tax reporting purposes.
