TERMS & AUTHORIZATION

By signing below, the Customer agrees to the installation of internet service equipment at the specified address. The Customer acknowledges that all leased equipment remains the property of the Service Provider and must be returned upon termination of service to avoid additional charges. The Customer authorizes the technician to perform the necessary drilling, wiring, and hardware mounting required to complete the installation. The Customer agrees to the terms of service, billing policies, and early termination fees associated with the selected subscription plan.
